

Paris-Munich Epigenetics

Workshop & Symposium 2023

June 14-16, 2023

Max Planck Institute of Biochemistry
Am Klopferspitz 18, Martinsried, Germany

Speakers:

Geneviève Almouzni (Institut Curie, Paris)

Till Bartke (IFE Helmholtz Munich)

Peter Becker (LMU Munich)

Déborah Bourc'h (Institut Curie, Paris)

Thomas Carell (LMU Munich)

Maria Colomé-Tatché (LMU Munich)

Pierre-Antoine Defossez (Université Paris Cité, Paris)

Maxim Greenberg (Institut Jaques Monod, Paris)

Heinrich Leonhardt (LMU Munich)

Raphaël Margueron (Institut Curie, Paris)

Sophie Polo (Université Paris Cité, Paris)

Claire Rougeulle (Université Paris Cité, Paris)

Kikuë Tachibana (MPI Biochemistry Munich)

Maria Elena Torres-Padilla (IES Helmholtz Munich)

EMBO YIP Lecturer:

Edda Schulz (MPI Molecular Genetics Berlin)

**Symposium open for all
free of charge**

**Workshop and travel grants for selected
early career researchers**

Apply for workshop by **April 15, 2023**

Symposium abstract submission by **May 15, 2023**
