

Chromatin Dynamics

Seminar

Edda Schulz

Max Planck Institute for Molecular Genetics
Berlin

will talk about:

**“Quantitative Signal Decoding in
Epigenetic Decision-Making - Insights
from X-Chromosome Inactivation”**

Thursday, June 20 / 11:00 am

- Seminar Room GH9-N02.017
Biomedizinisches Centrum

Host /
Contact:

Axel Imhof
imhof@lmu.de

All interested are welcome!
