

# Chromatin Dynamics

**Seminar**

## **Alan Cheung**

**Institute of Structural & Molecular Biology  
University College London**

**will talk about:**

**"Structure and function of chromatin  
modifying complexes SAGA and NuA4"**

**Thursday, October 17 / 11:00**

**Seminar Room GH9-N02.017**

**BioMedizinisches Centrum, Großhadener Straße 9**

**Host /  
Contact:**

**Christoph.Kurat@bmc.med.lmu.de  
089 - 2180 - 71602**

**All interested are welcome!**
